

About Us

Daya Tejarat Zeinalvand Co. (Private Limited)

With over 30 years of experience in supplying and distributing raw materials for Iran's food and pharmaceutical industries, we take pride in being one of the leading companies in this sector. Our experienced team sources and delivers a wide range of essential raw materials and food additives from reputable local and global suppliers. Product selection is based on international quality standards, public health considerations, and the essential needs of domestic industries. Our products are widely used in the food, dairy, beverage, and pharmaceutical sectors. Our sales and technical teams are always ready to provide detailed information and professional advice to clients.

Company Background

- Former shareholder of Shirin Asal Confectionery Company (confectionery & chocolate industry)
- Founder of Bayeraran Pharmaceutical Company
- Founder of K.T.C (Komial Tabriz) Oil & Petrochemical Company
